Boxford, Massachusetts 01921

Dear Mr. and Mrs. Jacobs:

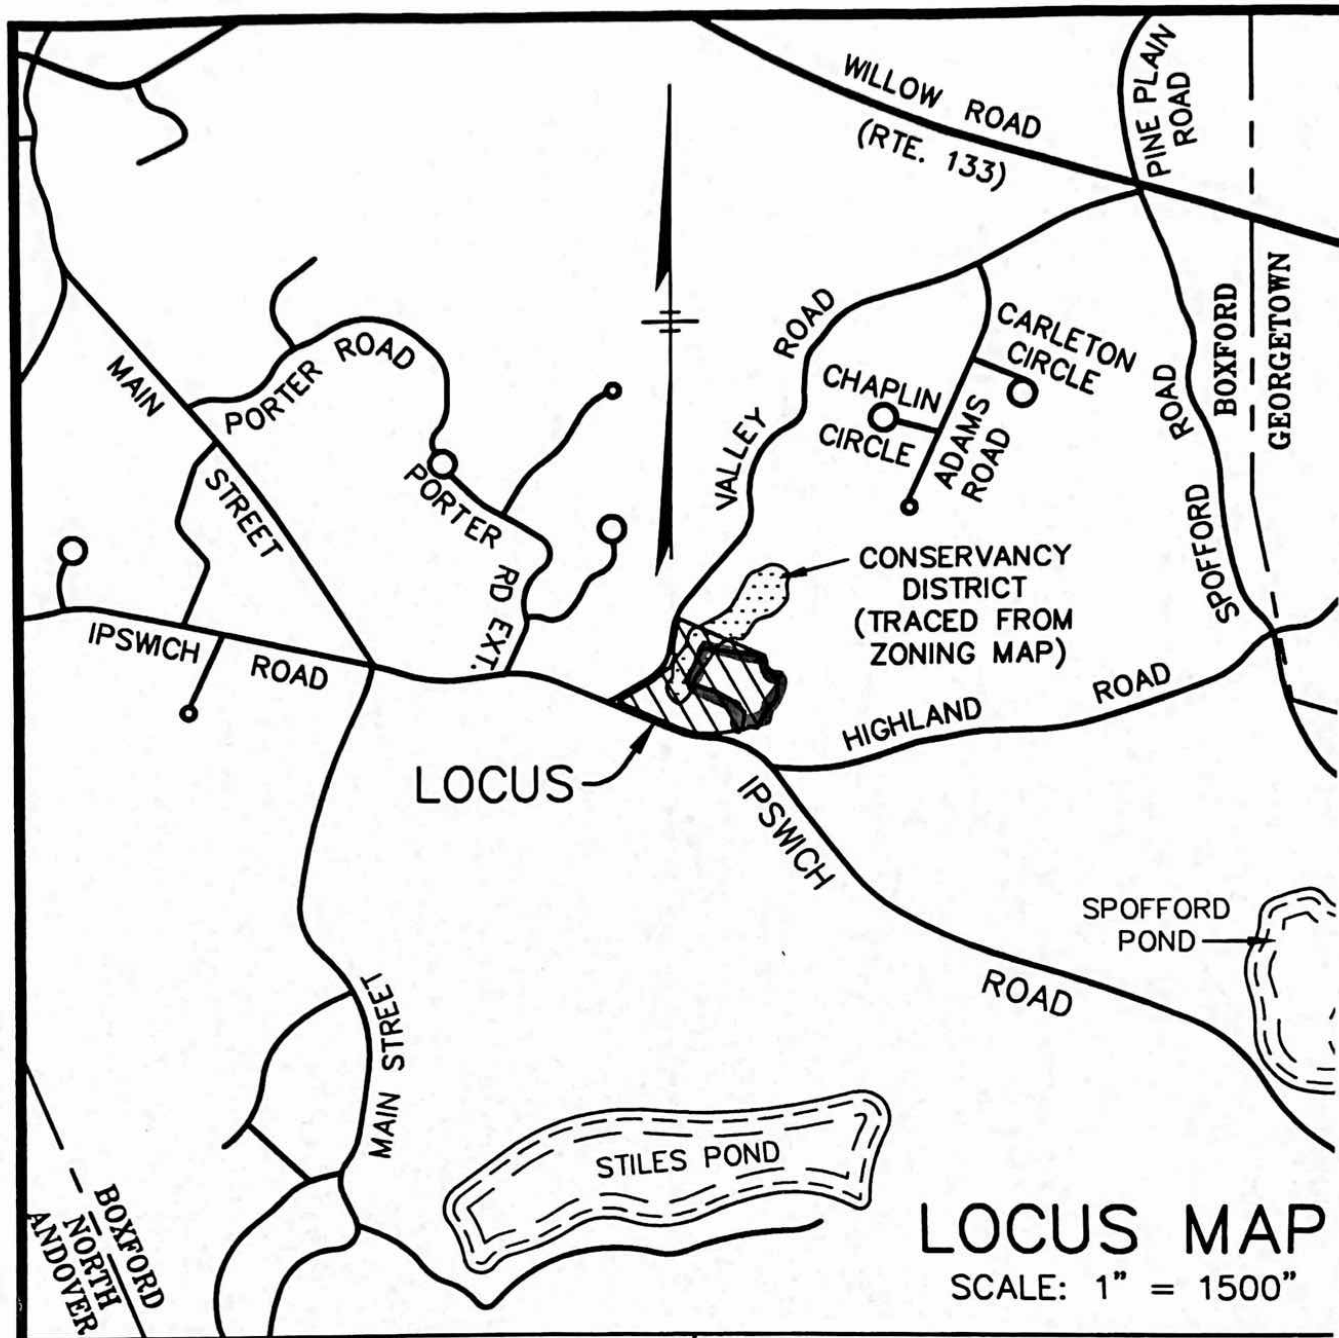

The time for our annual monitoring of Conservation Restrictions is approaching. We would very much like to set a date to come and see your property and take a few photographs, in early June. I will be calling you in May to set up an appointment.

Please call me if you have any questions.
Thank you very much.

Sincerely yours,

Natasha Grigg, president, BTA/BOLT, Inc.
