Dear Mr. And Mrs Jacobs,

I am writing to you on behalf of BTA/BOLT to congratulate you on your purchase of the lovely historical house and preserved land on the Ipswich Road. As you know, Hart and Rachel Achenbach granted BTA/BOLT, Inc a conservation restriction on the acreage. I am enclosing a copy of this CR for your information as well as our brochure. Please contact me at home at 978-352-6321 or at the BOLT office – 978-887-7031 if you have any questions or concerns.

At this moment, we are in the process of photographing all the properties that we own or hold a conservation restriction for, in order to update our records. You may see a young man, Nick Shrewsbury of Boxford, and an older man, Andrew Pluscinski of Boxford, with a camera and GPS system. They will be there for 15 minutes or so and we thank you in advance. They will photograph the pond a natural boundary and any other outstanding natural feature. Andrew is on our board and Nick is a summer intern who goes to Masconomet.

Looking forward to meeting you, and I know that I speak for the entire Board of BTA/BOLT in wishing you joy and happiness in your beautiful new home.

Sincerely yours,

Natasha Grigg, President

CONSERVATION RESTRICTION APPLICATION FORM

Pursuant to the provisions of G.L. c. 184, §32, the Secretary of Environmental Affairs is hereby requested to approve a conservation restriction as described below.

A. GENERAL INFORMATION

1. GRANTOR: RACHEL R. ACHENBACH AND Carolyn A. INGRAHAM as
(Name)
Trustees of THE ACHENBACH-BOXFORD NOMINEE REALTY TRUST
437 IPSWICH ROAD, BOXFORD, MA 01921
(Address)
508 352-2354 HART ACHENBACH
(Tel. No.) (Contact Person)
2. GRANTEE: BTA/BOLT INC.
(Name)
20 CROSS Rd. BOXFORD, MA
(Address)
508 887-2194 Judy GORE
(Tel. No.) (Contact Person)
3. TYPE OF RESTRICTION: a. Conservation only: X
b. Joint restriction: _____
type _____
(agricultural, historical, watershed)

NOTES:

If the grantee is a non-profit charitable corporation or trust, proof must be provided that it is a qualified charitable organization in accordance with M.G.L. c. 180 §4(a) or (l) and the I.R.S. Code Section 501(c)(3). The Division also reserves the right to review the organization's by-laws and list of officers if warranted.

Regardless of whether the grantee is a qualified private non-profit organization or a city or town or commission, authority, or other instrumentality thereof, the local conservation commission must define the reasons for preserving the property and certify that the restriction is in the public interest (please refer to page 7).

A conservation restriction is a voluntary limitation on the use of land designed to preserve it from adverse future change. But it should be distinguished at the outset from an agricultural preservation restriction which is approved by the Commissioner of Food and Agriculture for the Commonwealth, 100 Cambridge St., Boston, MA 02202, and from an historical preservation restriction, which is approved by the Massachusetts Historical Commission, 80 Boylston St., Rm 310, Boston, MA 02116, and from a watershed preservation restriction which is approved by the Commissioner of the Metropolitan District Commission, 20 Somerset Street, Boston, MA 02202.

It is possible for a restriction to fit into more than one category, requiring more than one approval. If a joint restriction, has the approval process been started with either the Commissioners of Food and Agriculture, MDC or the Massachusetts Historical Commission? Yes _____ No X

1. Is the restriction for the preservation of land areas for outdoor recreation by, or the education of, the general public? Yes ☐ No ☒
2. Is the restriction for the protection of a relatively natural habitat of fish, wildlife, or plants, or similar ecosystems? Yes ☒ No ☐
3. Is the restriction for the preservation of open space (including farmland and forest land) where such preservation is
- a. pursuant to a clearly delineated federal, state, local governmental policy, and will yield a significant public benefit? Yes ☒ No ☐
- b. for the scenic enjoyment of the general public and will yield a significant public benefit? Yes ☒ No ☐
4. Is the property historically significant? One that meets National Register Criteria or is within a registered historic district or contributes to the integrity of an historic building or property? Yes ☐ No ☒
5. Other public benefit? Yes ☒ No ☐ (if yes, please explain)
Protects wetlands & stream within Parker River Watershed
Adds to OPEN SPACE preservation efforts in area (see topo map)
Preserves scenic value along 1200+ feet of roadway on a road

NOTES:

The Secretary will find sufficient evidence of the "public interest," if the applicant can show that the restriction meets any of the tests for deductibility under the Internal Revenue Service Code Section 170(h) and the Regulations promulgated thereunder, or a private letter ruling by the Internal Revenue Service shall be deemed sufficient for establishing such deductibility, or the applicant makes an independent showing of eligibility for deductibility.

The letter ruling or documentation demonstrating eligibility for deductibility should be attached along with this application.

Regardless of the intent of the grantor's gift, the Secretary's determination of public interest will be dependent upon how well the applicant demonstrates public benefit. The above tests (section B) are sufficient demonstrations of the public interest; however, grantors should be advised that the Secretary reserves the right to require modifications to the conservation restriction where in his/her opinion the retained rights adversely impact the public interest or natural resource values of the property or when the document is improperly drafted.
